

It's Carnival Time At ^{5/6/61} Concordia

BY MARIE MCGREGOR

The Grade 12 class at Concordia College is sponsoring the annual spring carnival tonight at 7 in Alumni Hall.

The theme of the evening is a well-kept secret and won't be revealed until the carnival gets underway. Throughout the evening students will cast ballots for one of four queen candidates each ticket stub counting for one vote. At the close of the evening the winner will be crowned 1961 Carnival Queen.

The candidates are Lorraine Pohl of Brightview, Grade 10; the Grade 11 candidate is Linda Lange of Claresholm; Grade 12 nominated Marie McGregor of Holden, and the candidate from the college department is Shirley Nagel of Langely, B.C.

Last night a campaign banquet was given by the Grade 12 class on behalf of its candidate. The student body and faculty attended. Don Thompson, Grade 12 campaign manager, was master of ceremonies for the event.

The carnival itself will feature games and novelty booths. During the course of the entertainment the Grade 12 students will put on an operetta. Several monologues and skits will also be in the program.
