

ALBERTA COLLEGE

Where your future begins, offers special programs and facilities for those who wish a more personalized education on a downtown campus. The thirty-seven Edmonton Transit System bus routes which pass within a block of the College afford rapid and convenient transportation from all parts of the city.

ACADEMIC COURSES

Commence in semesters starting August 28, 1972 and January 8, 1973. Besides all academic courses, Alberta College offers non-academic English and Math which are acceptable at Technical Institutes. Remedial help in English, Mathematics and Sciences is also available.

Special this fall

A shortened academic semester — August 28 to December 20 — enabling students to complete from one to three subjects in time to enter University or other post-secondary institution in January 1973.

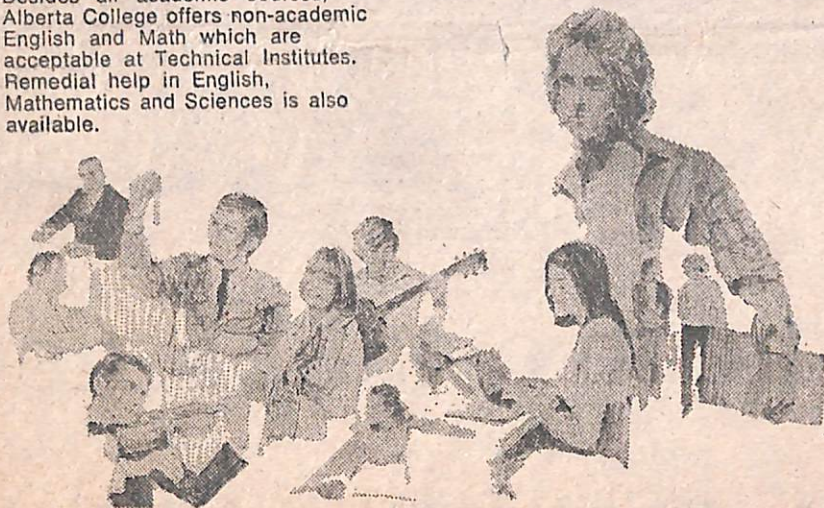

BUSINESS EDUCATION COURSES

Vary depending on the program you take. Please call 429-2851 for complete details of registration date, types of programs and fees.

FACULTY OF MUSIC

Offers a broad program of instruction in music, including voice, instruments and music harmony and theory. Preparation for Royal Conservatory and Western Board Examinations.
