Plenty of people miss their share of happiness, not because they never found it, but because they didn't stop to enjoy it.

TO ALL COLLEGE FACULTY

Many college courses are filled and have been closed by the Registrar's Office which also has some "Wait Lists." Please do not tell students that you can add "just one more" to your sections. All course changes must be done by the Registrar's Office and students at the top of a Wait List have first priority when spaces are available. Thank you for your help.

INFORMATION RE: FACULTY COMPUTERS

In 1985, the college arranged for 9 faculty members to purchase computers through a leasing arrangement. The college paid for 50% of the monthly lease, the instructor paid 50%. The instructor signed a charitable donation agreement for the college to deduct \$50/month from payroll checks over a 4 year period. Maintenance, repairs and insurance are the responsibility of the instructor. The agreement also includes a "buy out" option.

This year, we have \$6000 in the budget to again purchase faculty computers. A lease arrangement will allow more people to participate. As of now, we have applications from 16 individuals and not all requests will be fulfilled.

It is the responsibility of the individual faculty member to decide what they want the computer to do, what software is necessary, and what hardware is needed to run their materials (software was not included in the last leasing arrangement).

Please do not expect other Concordia faculty or staff to tell you what to buy, to choose the correct hardware, or to visit computer stores to get prices.

Since current applicants are requesting different systems, instructors will have to supply requisition data: model numbers, prices, quotes from vendors.

I am reviewing the applications and discussing financial arrangements with Ruth Mathes. We hope to have information soon about how many faculty members will be able to get computers this year.

Your patience and cooperation is much appreciated.

WORKSHOPS FOR FACULTY

The Committee for the Improvement of Teaching and Learning at the University of Alberta has made it possible for us to attend workshops offered at the university.

The following list includes topics, dates, times and places for the fall semester. Further information about each session is available from Mary Wagner.

If you wish to attend any of these sessions (no charge), please make reservations through Mary Wagner at least five days before the event is scheduled. Please do not make your reservation directly with the U. of A. Thanks!
