Mission Project Takes Students To Whitecourt

Today, 40 students from Concordia College are canvassing the town of Whitecourt to find out if it is feasible to hold Lutheran church services there.

The canvass is under the direction of Rev. G. E. Mueller,

pastor of Spruce Grove Lutheran Church. This is a mission project of the Alberta district of the Lutheran Church — Missouri Synod. The 40 students left early Saturday morning by car and will return this evening.

JOIN CONCERT

The college Male Chorus, under the direction of G. Weber, and the college Chapel Choir, directed by Miss C. Helmkamp, participated in a concert of sacred music at St. Paul's Lutheran Church in Edmonton last Sunday. St. Paul's mixed choir, directed by O. Matzigkeit, and St. Paul's church band, under the direction of H. Ruppel, furnished their part of the program in German.

Dr. Harold Haas of Concordia Senior College in Ft. Wayne, Ind., gave a talk here Sunday on general information about the senior college, which is the stepping stone for Concordia's ministerial students before they complete their theological training in the seminary at St. Louis, Mo.
