FREE TRADE INFORMATION PACKET

Dr. Richard Vanderberg has secured numerous copies of the Government's information packet on free trade. Anyone wishing to obtain a copy can pick it up from his office between Tuesday noon and Thursday noon.

Love is like steam in a boiler...no good unless released.

"Robby wants to show us a trick he's learned to do - can you watch, Herb? . . . Herb?"

"TREFFPUNKT DEUTSCHLAND"

The German 10 and 20 classes are planning a "German Day" titled "Treffpunkt Deutschland" during the Activity Period (12-12:55pm) on Wednesday, November 25.

There will be displays in the hallways, special food in the cafeteria, a chance to meet the exchange students, a video show, and more.

Please support this event with your interest and participation.

PRO CORO TICKETS

Anyone interested in purchasing tickets for the November 27 Pro Coro Concert should see Connie or Barry Bromley. It will be an evening of music for double choir and orchestra by Vivaldi. Tickets are \$10/adult, \$8/students.

SESSIONAL COMPUTER LAB TECHNICIAN

A position is available in the computer lab from January 4 to April 29, 1988. Applicants will need to be familiar with Apple and IBM equipment, and have some background in music and French. Contact Dr. Harriet Harris if interested.
