

# Placement Service

The Lutheran Laymen's League offers its Placement Service column in THE LUTHERAN LAYMAN free of charge to non-commercial advertisers. Classified ads for businesses may be placed in the column at the rate of 10 cents per word.

The Lutheran Laymen's League has not investigated the merits of any of these offerings and assumes no responsibility in the matter.

Simply put your Placement advertisement on paper and mail to THE LAYMAN. We reserve the right to reject or rewrite any advertisements received. Unless a special re-

quest is made for a box number the advertisement will be published with the name and address of the advertiser. Advertisements will be published only once. Upon special request each month, the advertisement will be inserted again.

To reply to an advertisement, simply address a card or letter directly to the advertiser whose name and address appears with the advertisement. In the event a box number is used, address your reply to the box number in care of THE LUTHERAN LAYMAN. The reply will be promptly forwarded to the advertiser.
