(special meeting to elect representatives for the Presidential Search Committee)

A QUIET LITTLE WOMAN was surrounded by seven big strapping sons and a husband. When asked how she ever made her soft voice heard above the boisterous males in her family she replied: "That's very simple. I whisper. In my family a whisper is so unusual that everyone listens to it with profound attention."

Luther College Seeks President

The Board of Regents of Luther College in Regina has established a Presidential Search Committee to assist it in seeking a successor to President Don Lee, who has announced his intention not to seek a second term when his current appointment ends on June 30, 1991.

The members of the Search Committee would be very grateful if you could help in their work by encouraging candidates suitable for the position to apply or by forwarding their names. A copy of the advertisement for the position is available in the President's Office.

The Committee has established a deadline of October 31, 1990 for receipt of applications. They should be directed to Mr. Kim Thorson, Q.C., Chair, Presidential Search Committee, Luther College, University of Regina, Regina, SK S4S 0A2.
