## CONTINUING EDUCATION PROGRAMS (FALL 1974)

### Preparing for the Future (October - December)

Learning how to live with and prepare for the problems we are about to face: over-population, diminishing natural resources, decreasing food supply and industrial output.

### Group Processes in Voluntary Organizations (October - December)

A study of organizational behaviour and group dynamics as it pertains to church groups and voluntary organizations.

### Individual and Group Career Counselling Programs

(By special arrangement) Involves capability and personality assessments, analysis of interests, values, abilities, in relation to present and alternative careers with extended guidance.

For further details contact the DIRECTOR OF CONTINUING EDUCATION, DR. ADRIAN LESKE, PHONE 477-6955.

OPENINGS FOR RESIDENT AND DAY STUDENTS

For further information regarding admission, fee schedules etc., please inquire in person, by mail or by telephone.
