For Adults Only!

UNIVERSITY AND COLLEGE ENTRANCE PROGRAMME

Weekend Degree Programme

This new programme allows adults to enroll in a variety of degree programmes through a weekend scheduling format — "the degree programme for working adults!"

Weekend College is a carefully planned degree programme. "It is the class schedule for busy people. It allows adults to make real progress toward completing a degree while maintaining important commitments to a career, a family, the community, and yourself.

If you have been thinking about returning to college, you should know more about weekend College.

For information call
Paul at 466-6633

This one year programme is designed to allow adults over 21 years of age to achieve the entrance requirements for most post-secondary institutions. Adults will enroll as full-time students in intensive courses in English, Mathematics and one Science. The programme is designed for individuals who do not have the High School requirements for post-secondary admission or have been away from school for a long period of time. In one year an adult will attain the necessary credits in academic subjects for university or college entrance.

The UCEP Programme

- English 100
- Math 100
- Chemistry 100
- Biology 100
- Career Planning 100

For information on these courses please call 466-6633 or in person, visit the Continuing Studies office at 9359-67A Street.
