

Circuit 'Train-Two' Schools Now In 100 Congregations

A service designed to encourage and develop more Bible study in Lutheran congregations is meeting an enthusiastic response.

Circuit Train-Two schools have moved into more than 100 congregations in Alberta and B.C.

There are five major steps in Train-Two's operational stage: 1. the district school; 2. orientation of pastors and congregations; 3. congregational self-study; 4. circuit Train-Two schools; 5. implementation by the congregations.

In most circuits the record has been completed and congregations are well along in the third.

Twenty-five Circuit Leaders are preparing to conduct more

than 20 Circuit Train-Two Schools. It is anticipated that nearly 700 Bible Class leaders will be trained through these schools to provide an adequate staff for an estimated 345 new Bible Classes which will be or-

ganized in parishes throughout Alberta and British Columbia during the next five years.

Area leaders in the Edmonton Circuit are Rev. L. B. Scholl and Rev. V. L. Schmick.
