

College Aurora Off Press

During the past week the first edition of the Concordia College student newspaper, the Aurora Borealis, was sent to subscribers around the world.

The paper is not only being mailed throughout North America but also to England, India, Australia, the Philippines and Venezuela. This week's edition was the first of nineteen the staff hopes to publish during 1959-60. The paper, written, edited and published by students is the official publication of the college.

Editor-in-chief of the paper is Theodore Reiner, Edward Jobs is managing editor. Other editors and department heads include Marilyn Cole, Carole Hansen, Bruce Beamer, Karl Keller, Linden Dressler and Ethelwyn Bassani.
