Year 11: #19

June 8, 1992

Summer Devotions

Summer devotions are held each Wednesday morning on the Highlands Campus—8:40am in the Conference Room.

Leaders for the remaining Wednesdays in June are:

June 10 Dawn Dayman
June 17 Leslie Robertson
June 24 Richard Mensch

July leaders have not yet been announced; come and be surprised!

Worker Benefit Plans Board Here on Thursday

Members of the Board of Directors of Concordia's Employee Benefit Plans will be on campus to answer questions of interested staff on Thursday, June 11—3:30-4:30pm in the Upper Guild Hall study area.

Ken Werschler from the Synod Office in Winnipeg, Administrator of the Benefit Plans, will lead the team. Individual appointments are not being planned, but members of the Board will no doubt be happy to meet privately with people who so desire.

Concordia Enters Age of Modern Telephone Technology!

On Monday evening, June 8, the Highlands Campus telephone system will be converted to Northern Telecom's Meridian I communication system. New telephones will be installed in all offices; new extension numbers have been assigned all staff (see list attached).

EdTel personnel held training sessions for available staff on Friday afternoon (June 5) and all day Monday (June 8). People unable to participate then will receive in-house training over the summer months — contact Betty Clark to arrange times.

Software features of the Meridian Digital Telephones include *Conference, Transfer, Forward, Call Park* and *Ring Again*.

Two specialized applications will be brought on stream during coming weeks. More details will be provided as they are introduced.

1. Automatic Call Distribution (ACD): calls can be directed to an extension without going through an operator. This will be particularly appreciated by campus staff here after hours!
2. Meridian Mail voice messaging: callers are invited to leave detailed recorded messages at individual extensions, thus eliminating busy signals or waiting time.

As with all new 'toys,' the Meridian I system will probably take a bit of getting used to! There is no doubt, however, that the long term 'gain' will quickly erase any short term 'pain.'

If you have questions, please contact Betty Clark at the Switchboard.

Advice is never appreciated, for if it turns out well, the recipients think it was their own idea; if it turns out badly, they eternally blame the giver.

SYDNEY HARRIS

Staff News

Our Christian sympathy is extended to Annabel Ness Evans, whose father, Brigadier-General Garth C. Evans, died suddenly on June 1 in Calgary. *"May Your unfailing love be my comfort..." Psalm 119.76.*

Because his involvement with the College's building program has brought him into the circle of people called 'family,' your continued prayers are requested for our architect, Cory Cunningham, as he recovers from serious head injuries suffered in an accidental fall in the Tegler Centre about three weeks ago. He has come out of a coma, and is slowly making progress now. His family is hoping that he will recover completely.

Tegler Student Centre Update

With the exception of the chapel, all of the main construction has been completed. Finishing details like painting, decorating and electrical work remain.

The College expects to take possession of the building in late June or early July.

June Birthdays

Congratulations to staff celebrating birthdays during the month of June. Your colleagues sang "Happy Birthday" to you after devotions last Wednesday.

You have to believe that silence is tantamount to consent. Otherwise you have to figure that nobody is listening to what you're saying.

The Tree of Thanksgiving

"The most unique recognition sculpture anywhere" are words being used to describe the Tree of Thanksgiving, which will be erected near the north entrance to the Robert Tegler Student Centre by the time the building is dedicated on Friday, September 4.

Designed by Edmonton artist Wei Yu, the Tree of Thanksgiving will recognize supporters from both the Together In Ministry and Faith in the Future campaigns, as well as donors OVER \$1,000 who have responded to other appeals.

The opportunity to have your name engraved on the Tree of Thanksgiving is still available. How? Simply make a pledge in writing of a gift of \$1,000 or more over the next four years. If you have made undesignated charitable contributions to Concordia College either through payroll deduction or personal cheque since January 1991, that will be counted as part of your pledge.

During the recent Faith in the Future campaign to the business community, we stressed that we had strong support from staff and faculty at Concordia. That good news made prospective donors admire and respect the College even more. Your support of your employer is gratefully and greatly appreciated.

Please reply by June 19. A pledge form can be picked up at the Highlands reception desk or from the Development Department at Braemar.

Donna Kayne, Director of Development

'Phantom of the Opera' Tickets

Concordia College High School has chartered buses to take students, and some parents and staff, to Calgary on August 26 for a matinee performance of the 'Phantom of the Opera.' Some adult tickets are still available @ \$59.40 (including transportation).

Please talk to Neil Fenske, Dave Eifert or Keith Kruse if you're interested.

Robert Barber from Kelowna Receives Chaplain Call

The Campus Chaplain Search Committee has recommended that Rev. Robert Barber, Assistant Pastor at First Lutheran Church in Kelowna, be called to Concordia College as Campus Chaplain. Approval from the Board of Regents and the Board for Higher Education is expected shortly. Pastor Barber has considerable experience in youth ministry. He will be on campus around August 1st.
