

# Concordia President Installation Sunday

cc RG 19 Bio Franz

Opening services for the 40th academic year at Concordia College will be highlighted by the installation of the Rev. Roland A. Frantz as the school's third president.

Services will be held in Alumni Hall on the campus at 71 Street and Ada Boulevard, Sunday at 3 p.m.

Rev. George Rode of Grace Lutheran Church in Edmonton will preach the sermon, and Rev. Alvin Raduenz of Mellowdale, of the school board of control, will perform the rite of installation, assisted by the faculty.

Miss Carlene Helmkamp, new dean of women, will then be inducted into office by Mr. Frantz.

Mr. Frantz came to Edmonton from a nine year pastorate in Olympia, Washington. A 1943 graduate of Concordia Theological Seminary in St. Louis, Missouri, he has had experience in youth work, religious education, public relations and administrative duties.

About 100 students are enrolled in the senior high school and college department of Concordia. An estimated 70 per cent of these are studying for professional careers in the Lutheran Church as pastors, missionaries, teachers and deaconesses.

Concordia was established in 1921 by The Lutheran Church-Missouri Synod.

Dr. Albert H. Schwermann, first president of Concordia, is on leave of absence as full-time president of the Lutheran Church-Canada, a federation of three

Canadian districts of The Lutheran Church-Missouri Synod.

Dean of students Erich A. von Fange returns to the college faculty after a year of study at the University of Alberta on a Kellogg Foundation Scholarship.

A two-day orientation program for new students began Friday as students from the four western provinces and Ontario arrived for a pre-opening session designed to acquaint them with the campus, city, faculty, programs of study, and one another.

Included in the program was a tour of Edmonton, visiting the Storyland Valley Zoo, the University of Alberta, and various churches and other local points of interest.

Returning students will register Monday morning, with classes beginning Monday afternoon.
