

Concordia Holds "Shower" Day

To welcome the new season, a spring "shower" day will be held by the Concordia Guild in the Alumni Hall on the Concordia College campus, 71 St. and Ada Blvd., Sunday at 3 p.m.

After a brief opening devotional led by Rev. Roland A. Frantz, college president, Mrs. Albert F. Reiner, guild president, will welcome the assembly.

Mrs. George Eberhardt is convener of the program which will feature entertainment by students. Wayne Stuhlmiller, student body president, will be master of ceremonies.

Lunch will be served later by guild members.

The Concordia guild is a women's organization, with members throughout Canada, which supports the work of the college.

Local members of the organization sponsor shower days during the spring and fall to enable the public to visit and tour the school. It has been called "shower" day because many of the guests bring gifts of food for the college kitchen.

Mrs. William Beach is vice-president of the group and Mrs. Hugo Grudzinski, secretary-treasurer.
