

College Choir On Four-Concert Tour

BY FAITH REINER

The weekend of April 6 to 8 was a busy one for the 21 members of the Concordia Chapel Choir, as they began a four-concert tour.

A chartered bus left Edmonton on Saturday afternoon, but their arrival in Didsbury was delayed by a minor accident. The ladies of the Lutheran church there prepared the choir for their 8:00 p.m. concert with supper. After an informal concert of light entertainment, directed by Harold Witte, the entire choir was billeted in Lutheran homes for the night.

An early departure enabled the choir to take part in the morning service in Wetaskiwin's Zion Lutheran Church, where they sang five hymns. After dinner in the homes of members of the congregation, the choir once again boarded the bus, which took them on to Brightview for an afternoon program, and then they went to Leduc for the final concert.

SERVE SUPPER

Before the program, the Young Peoples' League of St. Peter's Lutheran Church in Leduc served the choir a delicious supper and before the group's homeward journey, served lunch.

The Chapel Choir is directed by Miss Carlene Helmkamp, Concordia's dean of women, and instructor in music and physi-

cal education. An informal program is presented after every concert, consisting of skits, group singing, solos, a kitchen band, and other presentations.

The president of the choir is Harry Klann of Edmonton and secretary is Doreen Schienbein, also of this city. Right Reverend R. A. Frantz, president of Concordia, accompanied the choir and spoke at each concert on student recruiting.

HEAR DELEGATES

Students had a chance to voice their recommendations for campus improvements in informal discussion sessions during the last two class periods on April 5. The sessions were in connection with the ideas Lutheran student leadership conference delegates brought back from their trip to the convention in Concordia, Missouri.

After brief accounts of their trip by Dr. E. von Fange, Concordia's dean of students and representatives Clifford and Harold Haberstock, the assembly broke into discussion groups.

Many suggestions were made in all areas of campus life. Improvements were recommended in the areas of school publications, school dress, outside activities, athletics, worship, social activities and the library system. All recommendations were reported to the entire assembly and will be referred to the Student Council.
