# Concordia Plans Yule Reception

BY RUTH KROLL

Concordia College is holding its annual Christmas reception tonight in the auditorium.

This event will be attended by faculty and board of control members and families together with the student body and parents. The program will consist of an evening of carol singing followed by a tea. A children's choir, accompanied by principal W. M. Wangerin at the pipe organ, will sing.

## 40 VOICES

The Concordia Choristers, consisting of approximately 40 voices are making rapid progress under the direction of Dr. A. H. Schwermann. At the present time they are practising Christmas carols and working on an operetta called "Mississippi Melody," which will be presented in the spring.

Concordia's junior basketball squad won the game against the juniors of Victoria Composite High School recently by a score of 38-33. This is the second win in their two trials.

## YEARBOOK PICTURES

Last week the yearbook committee arranged to have the individual year book pictures taken. The members of this committee are Harry Ruf, chairman and Loretta Hennig, Rosalie Janz, Al Zorn, Ervin Henkleman, Glen Andrews and Walter McDonald. The first outdoor skating party was held last week. In spite of the warm weather there was a large turn-out.
