### Support Staff Retreat

The second annual Support Staff Retreat will be held on Friday, June 21—8:30am at the ACT Centre Lounge at Rundle Park. All department supervisors are reminded to make provision to allow every support staff member to attend.

Included in the day's activities will be tips on stress management and, if you wish, a chance to work off a little stress with some low-key aerobics geared to day clothes. Also, if you have a special scarf you wish to learn how to tie, bring it along. Or maybe even purchase a new scarf, place mat, or book at the displays which will be featured.

An opportunity will be provided to hear updates on various College endeavors, including the Enrollment Management Task Force which has now been in place for several months.

If any further information is required, please contact a member of the Retreat Committee: Valerie Knipp, Janet Kraemer and Arlene Thompson.
