These instruments are very special to Jeannette, and their return would bring her great joy!

## Interoffice Envelopes

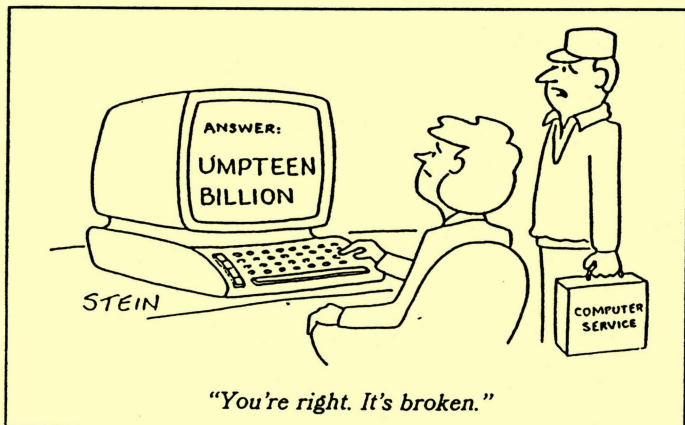

When you're giving your office that spring houseclean, please (please, please, please—this is called begging!) turn in extra interoffice envelopes. They can be left in the mailroom, or given to Betty Clark at the switchboard.

These envelopes have a habit of disappearing almost as soon as a new supply is ordered. Your help to keep them in circulation is appreciated!

A TAXPAYER received a *second notice* that his tax payment was overdue. The next day he went to City Hall, made out a check and apologized for overlooking the first notice.

"I'll tell you a little secret," said the tax collector with a smile. "We don't send out first notices. We've found that second notices are much more effective."
