Financially Squeezed?

Check out the **CONCORDIA BURSARY PROGRAM**

A Concordia Bursary is a non-repayable form of assistance given to students on the basis of financial need. Students are expected to make plans for funding their education through primary sources such as personal and family savings, scholarships and awards, part-time earnings, and government-sponsored student assistance. Students experiencing financial difficulties while attending Concordia University College of Alberta may apply for a bursary to supplement their existing funds.

Eligible students must:

- **Demonstrate financial need based on a modest standard of living**
- **Be enrolled in an undergraduate degree program**
- **Be registered full-time (minimum 60% of a full-course load) in both the fall and winter semesters**
- **Have achieved satisfactory academic standing on their most recent coursework (see *Academic Calendar* Section 9.3.4)**
- **Have not previously declared bankruptcy or defaulted on a student loan, including the Concordia Emergency Loan**
