Arts Students: Upgrade to a 4-year Degree!

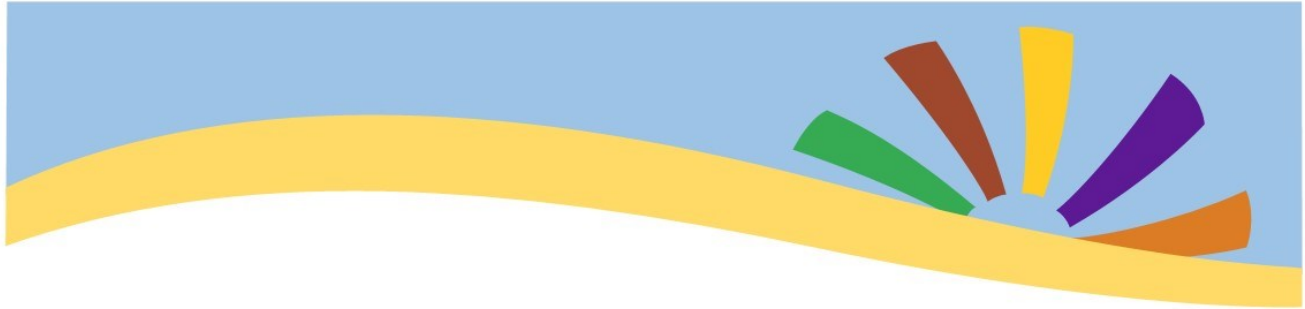

Students completing Concordia's 3-year Bachelor of Arts program now have the opportunity to upgrade to a 4-year degree while continuing to study the disciplines of their choice.

Concordia's new 'General Studies' program enables students to earn a 4-year BA by completing any two Arts concentrations. The General Studies program offers students the opportunity to move forward with their education, and more flexibility in their major/concentration selections.

For students having a hard time deciding between two majors for a 4-year degree (and not wanting to complete a double major), the General Studies program allows them to complete a dual concentration, which requires fewer courses in each area of study.

This program is also beneficial to students who are in the middle of a 3-year BA and want to stay for a fourth year, but do not have the requirements for a 4-year degree in their area of study. Students may find it easier to apply their completed courses to another concentration, which can be completed in their fourth year.

Visit the Welcome Centre for more info.

This year the CSA (Concordia Students' Association) and Concordia will be having a reception for all graduates and their families and friends immediately following the Convocation ceremony, 4:00 pm to 6:00 pm. This standing reception will be replacing the sit down banquet we (CSA) have previously hosted.

Take the time to celebrate with your fellow graduates and the faculty and staff of Concordia. There will be free food, a cash bar, and a professional photo-booth for you and your family.
