## COUNSELLING SERVICES

Where healing begins...

**Did you know that Concordia provides psychological counselling to students? Yes, we are here for you!**

Sometimes life can get a little rough. At counselling services, it is our goal to help you recognize your strengths and resilience, so you can enjoy your life to the fullest. We know school can be stressful (course load, due dates, papers, finals! Ahhhh...). Keeping your mental health in good shape can help you with retention of study materials, increase your energy and boost your motivation!

# Counselling support is here for you

# Repaying Your Student Loans

Repayment is the process of returning the money you have borrowed to the lenders, which includes the principal amount of the loan plus interest.

**When does repayment begin?** Repayment begins when you graduate or leave school for more than six months or are no longer a full-time student.

**6-Month Non-Repayment Period:** After you leave school, a six-month non-repayment period starts. During this period, you are not required to make any payments but interest can accrue depending on your loan program. You can, however, choose to make payments during this period.

**What am I responsible for?** You are responsible for repaying your loan & associated interest according to the terms of your loan agreement, and notifying your student loan provider if you:

- Change your name, address, banking information, or phone number
- Change from full-time to part-time studies or vice versa
- Leave or transfer to another school

**Create an online account with your student loan lender/s!** This allows you the flexibility to access your student loan information at your convenience and update your contact information. It also gives you access to important communications and documents.

**It is very important that when you go into repayment you make your full loan payment on time each month.** If you don't, you could end up in default, which has serious consequences and your credit rating may be affected. Student loans are real loans—just as real as car loans or mortgages. You have to pay back your student loans. **Tip:** You can make “extra” payments towards your loan debt at any time!

**The National Student Loans Service Centre (NSLSC) offers an online Repayment Presentation which is easy to access. We highly recommend watching it!** On Demand Repayment Presentation:

## **NADC Bursary**

The Northern Alberta Development Council Bursary is a return service bursary of \$6,000 per year for a maximum of two years, and is offered to students in their final two years of post-secondary studies. It is meant to encourage students to train for jobs that are in demand in northern Alberta.

The NADC Bursary program provides up to \$12,000 over two years, and is non-repayable if you agree to live and work in the north. Your return service is one year of full time employment in your field of studies for each year of bursary support received. Some careers in high demand now include education, medical and health, engineering and technical fields, and social work.

You may receive a NADC Bursary if you:

- Have been a resident of Alberta for 12 consecutive months before the start of your program
- Are enrolled full-time in a post-secondary program designated for provincial funding
- Are within two years of completing your post-secondary program
- Are in a program that is at least 12 weeks in length for a half bursary and 16 weeks in length for a full bursary
- Are not in default of a provincial student loan
