SECURITY REMINDER–VEHICLE THEFT

There was a vehicle stolen from the Concordia parking lot recently. Keys were taken from a backpack in the Library when it was left alone for a few minutes. Don't leave your valuables alone, even for a minute and don't keep your valuables in a visible location, or secure them.

If someone looks out of place on campus please contact campus security 780-479-8761 or 5555 from an internal phone. If you are not sure you can ask them if they need help, this politely let's them know they have been identified. The link below has some useful security tips.

As a general reminder don't leave your valuables alone, even for a minute and don't keep your valuables in a visible location. While we have a security guard on duty 24 hours per day seven days per week it takes the collective community to keep our campus safe, we need your help to keep you and your colleagues safe and secure.

Thanks for the help you continue to provide, we have a great community which steps up to help each other out regularly. For more tips on security: <http://concordia.ab.ca/campus-services/security/security-tips/>
