C.S. LEWIS: From Atheism to Christianity

Presented by Dr. Joel Heck,
Concordia Lutheran Seminary

Monday March 27 | 4:00–5:00 pm | T104

The story of Lewis' return to Christianity is largely biographical, examining Lewis's atheistic years in more detail than has previously been done in any biography of Lewis, using God's four "chess moves" as the broad outline. The focus will be on the years 1916 to 1931 in Lewis's life and his fifteen-year journey to the Christian faith as well as the lessons we can learn from his journey.

The Greatest Possible Being – a Reading

Presented by Dr. Jonathan Strand,
Philosophy CUE

Wednesday March 29 | 12–12:50 pm | HA015

What would the Greatest Possible Being be like? Dr. Strand will read from his popular-level, poetic presentation of 'Perfect Being Theology.' Participate in this thought-provoking and inspiring thought experiment—intended to move as much as prove.

Belcourt Brosseau Métis Awards

The BBMA Fund provides awards so that Métis Albertans demonstrating financial need, commitment, and a desire to be gainfully employed can realize self-sufficiency through the advancement of their post-secondary education and skills development. Since 2001, the endowment Fund has provided awards totaling over \$6 million to more than 1000 Alberta Métis students.

Awards are intended to assist recipients with essential costs such as tuition and fees, textbooks and supplies. Approximately 140 awards are provided each year, most awards ranging between \$2,000 and \$10,000. Size and number of awards may vary.

The selection process is based on a holistic assessment of:

- Financial need
- Connection to the Métis community
- Career goals and likelihood of improved opportunities

Academic standing is not a primary factor in selection of recipients. Priority is given to first year students, and many students have received awards in later or successive years.
