

Become a FLC Peer Mentor for 2012/13

What is a FLC Peer Mentor?

Peer mentors are:

- Someone who serves as Tutor, Academic Strategist and Counselor
- Third- and fourth-year students who are genuinely interested in helping others
- Selected, trained, and supervised by qualified Student Life and Learning personnel.

Peer mentors are committed to:

- Volunteerism as a means of contributing to the community
- Developing skills in the areas of tutoring, learning strategies, or counseling
- Reliable and honest communications, essential to developing relationships of trust
- Creating new experiences for the first year student

Rewards:

- Direct experience in leadership and mentoring
- Recognition in a formal letter of confirming your involvement in the FLC program
- Honorariums (\$\$) paid for both Senior Peer Mentors and Assistant Peer Mentors

Interested in becoming a FLC Peer Mentor? Contact Student Life & Learning by email: studentlife@concordia.ab.ca or by phone: 780- 479-9241.

QUOTE OF THE WEEK:

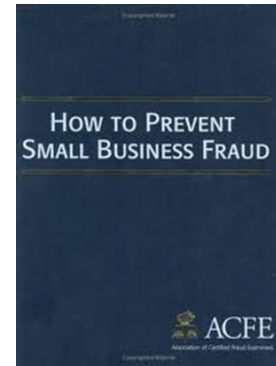

“The trouble with not having a goal is that you can spend your life running up and down the field and never score.”

- Bill Copeland

MGT430- SPECIAL TOPIC FRAUD EXAMINATION: THEORIES AND METHODS

SCHEDULED TO BE OFFERED IN FALL 2012

This course will cover the principles and methodology of fraud detection and deterrence; an integral component to effective corporate compliance. The course includes such topics as: fraud theories, skimming, cash larceny, check tampering, register disbursement schemes, billing schemes, payroll and expense reimbursement schemes, non-cash misappropriations, corruption, accounting principles and fraud, fraudulent financial statements, and interviewing witnesses.

Upon completion of this course, a business student should have the ability to:

- a.** Appraise the reasons, motivations and rationalizations behind individuals and organizations committing acts of fraud;
- b.** The ability to recognize and analyze various consumer, organizational and computer based fraud schemes; Detect various financial statements fraud exposures;
- c.** Formulate and implement an effective fraud investigation process to accumulate court admissible evidence and to effectively communicate the findings of such investigation in a criminal or civil trial;
- d.** Construct the various steps and methodologies for detecting, analyzing and investigating incidents of consumer or organizational fraud;
- e.** Recommend and Design control processes to help reduce incidents of organizational fraud;

Starting in Fall 2012
