CONCORDIA
UNIVERSITY COLLEGE OF ALBERTA

Memorial Service for Former President Kraemer

Dear Friends of Richard Kraemer, Colleagues, and Students,

I have been asked repeatedly if we are going to have an on-Campus memorial service for Richard. I have told his wife, Janet Kraemer, that we would do so on Monday, November 15 during (and a bit past) chapel time, i.e., 10:40 sharp till 11:10+. Monday is a joint University/Seminary chapel day, and since Dr. Kraemer's son, Prof. Jonathan Kraemer, is part of the CLS faculty, I thought it well that we combine our efforts and have a memorial service here where Richard served for some 33 years. I therefore invite everyone on campus, and especially those who were unable to participate in the funeral service on Friday to join us in the Chapel Auditorium on Monday, November 15, at 10:40 to remember Dr. Richard Kraemer and the work that our Lord accomplished through him in his service to Concordia. Seating will be limited, but we felt that the quiet of the Auditorium would be more fitting for such a service. Janet and some of the family will be in attendance.

Sharing in the consolation of the Gospel,

Gerald Krispin

RALLY AGAINST BULLYING

Concordia University College of Alberta, under the auspice of Student Services, has joined forces with both the Federal and Provincial governments to raise awareness of Bullying and to deal with it. Bullying is not just a school yard kiddies' problem--but is found in every aspect of society--from sports, to clubs, the workplace and everywhere else where people associate with each other--including universities.

If you are experiencing bullying, please report it to the appropriate authorities--either the AVP of Student Services, Dean of Education, Chaplain or the campus Counseling Psychologist. We want you to feel welcomed, loved, cared for and supported here at Concordia.

Concordia will be leading a rally in *Tegler* on *Tuesday 16th November between 11.15 and 12.15* in conjunction with the Alberta Government's "Bully Free Alberta" campaign running November 14-20. Please lend your individual and community support to maintain the positive, warm and friendly environment of Concordia and to keep bullying out. You will find posters all around campus as well as Alberta Government fact sheets.

Again, let's do our part as individuals and a community here to keep our university "Bully Free Concordia"--and the welcoming, warm and friendly place to be and learn that we always have been since 1921!

Revd Dr Bill Anderson PhD
Associate Professor of Religious Studies
Concordia University College of Alberta

Student Affairs – New Location

Student Affairs are now located in Schiemann Centre,(HA114) near Student & Enrollment Services. Signs will be posted in the hallway of the Hole Academic Centre to help navigate to our new offices. All contact information will remain the same for the Student Affairs staff.

If you have any questions or concerns, please contact Student Affairs at 780 479-9241, or studentaffairs@concordia.ab.ca

Student Accounts – New Location

The Student Accounts Office has a new location in the Student Enrolment Service area located in the Hole Academic building. Donna, our cashier, is located on your left (north) as you enter the Student Enrolment Service area. Our hours remain 8:30 a.m. – 4:30 p.m. We look forward to serving you in our new location. Stop by and check it out!

Sharon Gabert

Student Accounts Manager

Edmonton Women's Opportunity Award from Soroptimist International

Soroptimist International is an organization of business and professional women seeking to help other women. The Women's Opportunity Awards aid women who have faced economic and personal hardships, and are seeking to gain additional skills, training and education. The program helps women who serve as the primary wage earners for their families to enter or return to the work force, or to improve their employment status.

If you feel that you may be eligible for this award, contact Meta Flemke, Awards Chair, at 780-427-6527 or 780-436-9395, to request an application form. **DEADLINE: December 15, 2010.**

Terry Fox Humanitarian Award Program

The Terry Fox Humanitarian Award Program (\$7,000 per year for a maximum of four years) was established in 1982 to encourage the benevolence of young Canadians and to recognize humanitarian volunteer work.

There is no set discipline students must study in order to receive the award, but they must continuously demonstrate a strong performance in academics, athletics and volunteerism.

The deadline for this prestigious awards program is February 1, 2011. The program is open to students currently studying towards their first university degree. Visit the program's website at www.terryfoxawards.ca for an application form.

The Peter Elzinga Family Foundation **Scholarships**

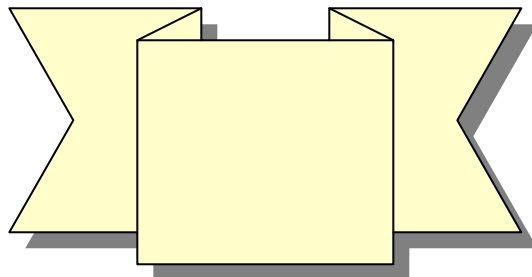

The Peter Elzinga Family Foundation was established for the purpose of awarding Educational Scholarships which are intended to promote the advancement of education and to provide an incentive and means for anyone to continue learning.

On a yearly basis the Foundation awards one (1) to five (5) scholarships ranging in value from \$600 to \$2,000.

Scholarships are available to residents of Alberta who are currently students and to those residents who are returning to school to further their education.

Awards are granted on the basis of financial need, community involvement, and leadership skills with the intent to encourage the pursuit of further education.

The deadline to apply: **June 1, 2011.** Visit www.peterelzinga.com

Library News

WorldCat

WorldCat Enhancements

WorldCat enhanced its interface on November 9th to include:

- all articles results will indicate if they are from peer-reviewed journals or not.
- a prompt for researchers to login when search results require Concordia authentication.
- better display of format limiters, nested and with improved terminology for e-books etc.

There are other enhancements as well. Come ask us at the Information Desk for details.

New Curriculum Books

The new book display is filled with great science materials for the elementary grades - animals, insects, motion, friction, gravity, density, forces, buoyancy, and simple machines. Come check it out!
