

1. The upper portion of an instrument's resonant chamber
2. A device that reflects music or a speaker's voice to an audience
3. A person or group whose reactions to an idea or opinion serve as a measure of its effectiveness

# Sounding Board Vol. IX.3

... to Jubiloso! Bells of Concordia ringer **Betty Radford**, whose piece "So Glorious and Free, A Canadian Soundscape" has won the 2014 Canadian Guild of Handbell Ringers Composition Award!

Betty, already a prize-winning composer with multiple degrees in music, is a music specialist with Edmonton Public Schools and past president of the Alberta Kodály Association. The piece will be premiered by Jubiloso at their March concert, and performed at the International Handbell Symposium in Vancouver 2016.

Join Betty and her fellow ringers this Sunday in Tegler: *Be still in the midst of a busy season . . .*

“ Betty says,  
 Concordia offers excellent handbell programs. This certainly puts Edmonton on the map in the handbell music world.  
 I am enjoying being a part of Concordia!  
 ”
