CRIME PREVENTION WEEK HAS ARRIVED!

Our last Hard Target in March was an amazing success with over 100 people coming to the Northlands EXPO Centre in support of the Zebra Child Protection Centre.

As a result, we raised a record breaking donation of over \$3,500 for a great cause!

With Crime Prevention week coming up in May, we are again helping to do our part by hosting a Hard Target session to create even more harder targets for criminals.

When is it?

Wednesday, May 13, 2015 from 9 AM - 4 PM

If weekend sessions haven't worked conveniently for you in the past, perhaps you (*or one of your family members who wanted to attend in the past*) will be able to attend this rare one scheduled in the middle of the week instead!

Details and sign up information can be found on the Hard Target website:
<http://hardtarget.ca>

Whether you're looking to refresh your knowledge of the techniques, or want to introduce someone new to our training, we hope you can join us!
