## Vacancy Announcement for an Internship at 'mieletec' in Germany

Open to:	Students from the University of Alberta, MacEwan University, Northern Alberta Institute of Technology, Concordia University of Edmonton
Posting Date:	July 17 <sup>th</sup> , 2017
Application Closing Date:	August 8 <sup>th</sup> , 2017 (23.59 p.m. MDT)
Duration:	Negotiable, up to six months
Starting time:	Negotiable, possible from September/ October 2017 or later

The research lab 'mieletec' is offering an internship for winter 2017/2018. 'Mieletec' is a longstanding cooperation between the Faculty of Engineering Sciences and Mathematics of the University of Applied Sciences Bielefeld and the household appliance producer Miele & Cie. KG.

Miele & Cie. KG is a global player with its head office in North-West Germany and is successfully represented in 47 countries by company-owned sales organizations and in about 50 additional countries via importers.

'Mieletec' conducts applied research on prospective household appliances working closely together on concrete projects with Miele & Cie. KG. The objective is knowledge development in the fields of electrodynamics, thermodynamics, and fluid mechanics for household appliances to improve resource efficiency and benefit the potential end-user. Students get the opportunity for a practical training to strengthen their profile and to gain work experience in Germany.

The internship will be in German, and basic knowledge of German would be an advantage. The internship will take place in Bielefeld, Germany. Whether the internship will be paid depends on different factors e.g. the intern's skills. It is also possible to write a degree thesis during the internship.

### Requirements:

- Student of Electrical Engineering, Computer Sciences, Mathematics, Physics, or similar.
- Preferably advanced year of study.
- Interest in doing applied research in the above-mentioned fields.
- Basic German language knowledge is of advantage.

### Application:

Please submit the following documents in a single PDF-file prior to the closing date:

- Letter of motivation (max. 1 page, in English or in German, please state your earliest starting date for the internship).
- CV in a table (in English or in German).
- A copy of your transcript (attended courses and grades) (no German translation needed).
- A proof of basic German language skills (e.g. evidence of attended German classes or written explanation).

Contact to submit the application and for further questions: [despina.arnold@uni-bielefeld.de](mailto:despina.arnold@uni-bielefeld.de)

# Feevale University Research Event

Dear Concordia Students,

I would like to inform you of an exciting opportunity! Feevale University, one of Concordia's International Partners in Brazil, would like to invite Concordia students to participate in a research event.

## What/When?

This event is called Inovamundi and takes place from October 16 to October 21, 2017  
**There is no cost to participate.**

## Who Can Participate?

Inovamundi is for both undergraduate and graduate students who would like to present the results of research and technological innovation accomplished during their time at Concordia. Presentations can be made in English. All you need to register is an abstract of your research!

## What's Involved?

If you are selected, you will then have the opportunity to present your work online by web conference to be evaluated by PhD students in a research area similar to yours! The presentation is watched by students of Feevale University and from other universities who are joining the event online.

## Why Participate?

The event provides an opportunity to learn in an international setting to improve your research. In addition to receiving a certificate of participation and feedback from the evaluating professors, students will have their work published and will run for awards.

## What's next?

To register, please contact [inovamundi@feevale.br](mailto:inovamundi@feevale.br). Registration is open until 9<sup>th</sup> August 2017.

For questions: please contact CUE's International Officer, Amanda Thorson by email at [Amanda.Thorson@concordia.ab.ca](mailto:Amanda.Thorson@concordia.ab.ca), or, phone at 780-479-9351
