## KEEPING YOUR STUDENT LOANS INTEREST-FREE!

Your student loans are interest and payment free while you're in school. Here's how you keep your loans in interest-free status:

### *Studying full-time?*

*... with a new student loan*

Once you cash your Alberta and Canada student loans for your current school year, any student loans you received previously are automatically interest-free [if you cash them before your 6-month grace period expires](#).

*... without a new student loan*

If you have previous student loans, and are not receiving student aid this year, you'll want to let your lenders - EDULINX and the National Student Loan Service Centre (NSLSC) - know so your loans can remain interest-free with no payments required.

Have a Canada AND Alberta student loan? Complete a [SCHEDULE 2 & FORM B](#)

Have only an Alberta student loan? Complete [FORM B](#)

### *Studying part-time?*

Keep your Alberta student loans interest-free by completing [FORM B](#)

Please note: Your Canada student loans are not interest-free when you are studying part-time. You will go into repayment for your Canada student loans 6 months from your last end of study date.
