A letter to Concordia Students from the Alumni Relations Office:

Welcome into the prestigious group of people who are called alumni at Concordia! Whether you have just completed your first courses at Concordia, or if you have been here for a couple of years, you may already be called “alumni.” As Director of Alumni Relations here at Concordia, I am excited and eager to welcome you to this incredible group of people who will now be part of your life forever!

The *Alumni Relations Office* is a resource for Concordia University of Edmonton news, activities and programs; this Office provides opportunities for alumni to engage in and support activities on and off campus. I encourage you – now, as alumni - to start getting involved by attending events and reunions, volunteering, and taking advantage of the services that the *Alumni Relations Office* and the *Alumni Association* offer.

Another great place to connect is on the *Alumni Association* Facebook Page at “Concordia University of Edmonton Alumni Association” – here you can find out about all kinds of activities and events that are hosted by the alumni association. The *Alumni Association* (Jennifer Kruse, CAA president, with an active executive) plans and enables **events**, supporting alumni in this way. They also support the organization of **chapters**. The *Alumni Association* has been active this past semester in planning events at athletic games, in hosting special receptions for Fine Arts (i.e. Drama opening night wine and cheese, reception following Concert Choir Christmas concert). They will be hosting an upcoming reception following the opening night of “The DADA Play.”

Look for the new alumni bulletin board in our Alumni building hallway, which will keep you updated with alumni-related things! Thanks to present student Donovan Makus, who will be helping to keep this board up to date with news for you.

The *Alumni Relations Office* is here to help you keep you connected with Concordia friends, and to begin to develop new professional contacts. Tell us who you are looking for – or about your networking goals – and we will work to connect you with the right person or group. I am personally looking forward to meeting you individually – feel free to come to introduce yourself to me at upcoming events!

Sincerely,

Dr. Joy Berg
