Sexuality Conference and Presentation:

Conference this Saturday:

This Saturday, November 6, Concordia will be hosting a conference on sexuality entitled *Getting Real about Sexuality*. The conference will focus on dealing with our sexual natures from a Christian point of view—how we should think, talk, teach, and behave about sexuality. The speakers include our own professor of Religious Studies, Dr. Bill Anderson, and an expert speaker brought in from California (which seems like a fitting place to bring someone from to talk about sex), Dr. Roger Sonnenberg. Registration begins at 8:45am, with the first presentation beginning at 9:15, in Concordia's auditorium. The program lasts till 4pm.

Registration is free for students, and lunch will be provided.

For more details go to <http://lovelifeedmonton.com/default.aspx>.

Presentation this Monday:

Dr. Sonnenberg will also be giving a presentation in our auditorium this coming Monday, the 8th, from 11:10 to 11:50. The title of his talk will be *Twelve Twitter Truths about Sex*. He will also be making a brief presentation in chapel immediately preceding his talk.

Please join us for this conference and/or this presentation, if you can!

24-hour Study Space Now Available

Concordia is now providing its students with 24 hour access to its cafeteria for the purposes of study and relaxation. (No food service will be available after hours.)

The doors of the cafeteria will be unlocked as long as the main areas of the campus are open—normally from 0600 to 2200 daily. Students already in the cafeteria at the time the doors are locked will be permitted to remain, so long as they present a valid Concordia University College identification card.

To gain access to the cafeteria after the doors are locked, students may contact Security at 780-479-8761, or 5555 from an internal phone.

Access will be granted through the north doors of Founders Hall. Students must present a valid CUCA identification card to be granted entry.

Surveillance cameras will be in operation and images will be recorded. No alcohol or drugs will be permitted. Intoxicated people will be denied access. Security will patrol the cafeteria as part of their regular routine. To enable students to read and study effectively, free from unreasonable noise and other distractions, students are asked to respect the needs of others sharing the space as well as the needs of residents in close proximity. Sleeping overnight will not be permitted.

For access contact Security at 780-479-8761 or 5555 from an internal phone .
