## Alberta Export Awards – November 23, 2012

### **ALBERTA EXPORT AWARD FOR INTERNATIONAL BUSINESS STUDIES**

The Alberta Export Awards pay tribute to the innovative approaches and contributions of Alberta export companies from all regions of the province, as well as those individuals who create these successful stories.

One of their societal goals is to promote the development of today's youth into tomorrow's international business leaders. The Alberta Export Awards are one of the ways they continue their effort to foster and create an export culture in Alberta's business leaders. To help the development of a workforce that is globally minded, the Alberta Export Award Committee has developed these awards for several segments of exporting. They are pleased to also offer the **Alberta Export Award for International Business Studies**. This award assists in meeting both of the above objectives.

The winner will be invited to attend the Alberta Export Awards Gala Luncheon, November 23 2012 at the Calgary TELUS Convention Centre.

**Award value: \$3000**

**Applications available: Financial Aid & Awards brochure rack (outside HA120)**

# Postcard Fiction Contest

Sponsored by the  
Concordia English Department  
and open to everyone!

Try your hand at Postcard Fiction! – short on length, but long on impact!

**The rules:** Find a postcard that inspires you and write the story that goes with it on the back. Isn't each of those sunsets, sandy shores, and bridges crying out for a story?

Or, be more creative still – write the story and then make your own postcard to go along with it!

The postcard can be addressed to a specific person, but it doesn't have to be.

The best part – there are **prizes** in the form of Amazon Gift Certificates for the top three entries (\$40, \$30, \$20).

Send in your postcard to the English  
Dep't by **Wednesday, April 18, 2012.**  
addressed as follows:

Dr. Conrad van Dyk

7128 Ada Boulevard

Edmonton, Alberta

T5B 4E4

(or simply deliver it to the CUCA  
Bookstore or to an English prof)

## UNDERGRADUATE STUDENT RESEARCH AWARDS (USRA)

Undergraduate Student Research Awards (USRA) are meant to stimulate your interest in research in the natural sciences and engineering. They are also meant to encourage you to undertake graduate studies and pursue a research career in these fields. If you would like to gain research work experience that complements your studies in an academic setting, these awards can provide you with financial support through your host university.

To apply for these awards, you must complete and submit your application using NSERC's On-line System. Refer to the instructions for completing Form 202. You must apply directly to the university where you would like to hold the award.

Interested? Visit our Financial Aid & Awards office (HA120) for more details.
