Library News

Hold Heads Up!

If you place a **Hold** on a book from another NEOS library be careful to choose **Concordia University College** as the Pickup library. In the past we've had books travel to Canadian University College in Lacombe - we know you don't want to go there to pick it up! Even though we can modify the Hold and have it brought here for you, it will take a few more days to arrive at Concordia.

Science Week

In support of Science Week, the library has gathered a display of good reads for all ages about various scientific topics. Are you interested in the plague? Space? Absolute zero? Technology? Einstein? Quirky facts? Grab a book and find out more!
