Focus Your Future

Date

Tuesday, September 30th, 2014

Location

Tegler

Time

10am - 2pm

Complimentary Reception– Generation Aware

Concordia University faculty and students are invited to attend a complimentary reception at 5 PM on October 2, 2014 at the Edmonton Expo Centre. Entitled Generation Aware!, the reception is hosted by CNIB and will focus on elder abuse and mental health challenges facing individuals living with vision loss. Keynote speaker Molly Burke – named one of Canada’s “Future Young Leaders” by Maclean’s – will share her story of overcoming bullying and mental health challenges growing up with a genetic form of blindness. Hear her story, learn about CNIB, and become aware of what the world is like for someone who is blind or partially sighted. Learn more by visiting buksa.com/cnib or email cnib@buksa.com.

Campus Lost and Found

Lost Items

Students looking for lost items can visit the Library Circulation Desk during hours of operation or contact Concordia Security staff after library hours of operation.

If the item is not at the Library Circulation Desk, students can check the public lost and found bins located in the library near the main floor copiers, or near the CSA Offices.

Found Items

Bring all found items to the closest public service point on campus.

Service staff will mark any items turned in with a date on a sticky note and make an attempt to contact the owner if possible.

After a reasonable attempt has been made, or the item's owner cannot be determined, items will be brought to the library front desk.

Library staff will post descriptions and/or photos of items to Facebook.

Items with a value over \$250 will only be described generically and owners will need to identify the object and provide Concordia or government issued photo identification to claim items. Name, date, time, and verified id needs to be recorded upon claim.

Items with value of less than \$250 left unclaimed for 30 days will be placed in public lost and found bins (one in the library, one outside CSA conference room).

Campus keys should be returned to Sharlene. Other keys, cell phones and/or other items of a sensitive nature will be given to security to dispose of appropriately.

Items with a value greater than \$250 will be given to and managed by Concordia Security Services staff in accordance with the "Unclaimed Personal Property and Vested Property Act". Andrew Sterne and Sharlene Millang-Borst will document and maintain Concordia's compliance with this legislation.

You know that nice,
fuzzy, sleepy
feeling after you've
had a substantial meal?

Share the feeling this Thanksgiving
