In the footsteps of Jesus ... and Debbie Rice!

Israel April 5–16, 2013

Jubiloso! conductor Debbie Rice (also Executive Director of the International Handbell Committee) leads forty ringers from Canada, US, Hong Kong, and Puerto Rico with the only Hebrew handbell group in Israel in the first international handbell festival, April 5–16, including concerts in Tel Aviv, Jerusalem, Haifa, and Nazareth.

They will also be there for Holocaust Remembrance Day, sure to be a profoundly moving experience: at 8 pm loud sirens blare over the entire country, everyone stops (even getting out of their cars on the highway) and stands in complete silence.

Follow along on the blog above.

Your VOICE Your POWER Your GIFTS

A program for young Adults, aged 18-25
Naramata Centre, May 1-16, 2013

Consider this a knock on your door and an **invitation to adventure...**

The **transition between adolescence and adulthood** is considered by many cultures and wisdom traditions to be the most important and the most challenging life transition, requiring deep deliberation, specific education and **is not to be navigated alone.**

Your Voice, Your Power, Your Gifts is a dedicated time and space for you to step back from your usual life rhythms and patterns, and to invest your time, intention and curiosity into exploring the adult version of you that is emerging. It's also a place to receive the guidance of mentors as you **walk the path of big life questions** about the world, nature, purpose and spirituality.

There is **a place meant for just you in this world;** use this opportunity to move towards it. In a supportive community, deepen your understanding of yourself by getting clear on what you have outgrown and what you want to move towards. We'll take a genuine look at what is changing in your life and **explore your power and creative energies**, using nature, ceremony, experiential and unexpected activities that will engage your body, mind, heart, and spirit. Develop tools that will aid you in navigating the churning waters of this life transition as well as the increasingly uncertain future we face collectively. You'll leave with **a stronger sense of yourself**, clarity on what is next for you in this time of change, and deeper knowledge about your unique gifts and abilities and how to offer them to the world.

You are invited to bring your **stories, storms, questions, fire, wisdom, and laughter.**

We are waiting to welcome you!
