INTERNATIONAL BUDDY PROGRAM

Join Today!

WHAT IS THE INTERNATIONAL BUDDY PROGRAM?

For international students who are new to Edmonton or the Canadian lifestyle, moving to Concordia can be a daunting experience. That's why we offer the International Buddy Program.

The program pairs new international students with current students, who can provide a friendly face, helping hand, and be the first Edmonton friendship, for the newly arrived international student.

Buddies can also offer linguistic support, cultural guidance and information about life at Concordia and in Alberta. Typical "buddy" activities might include showing international students around campus, locating banks and grocery stores near campus, helping with an apartment search, or chatting over a cup of coffee.

Volunteers and new students are paired over the summer months for the Fall academic term. This gives the paired students a chance to communicate with the new arrival before arriving in Canada, should they chose to do so.

There is no hard deadline for signing up, although it's important for both volunteers and new students to sign up before the term begins in order to ensure a smooth pairing... Volunteers will receive official recognition for their volunteer efforts.

HOW CAN YOU BECOME MENTOR?

QUALIFICATIONS:

- * Must be a current undergraduate student.
- * Have a good knowledge about Edmonton and its surroundings.
- * Go to Student Life, HA114 to complete an application.

HOW DOES IT WORK?

Once you have submitted your completed application to Student Life & Learning (HA 114) you will be asked to attend an interview. On approval, you will be matched with a new, incoming international student.

You will be given the opportunity to 'meet' via email, prior to the start of the semester.

The International office will host a welcome event and a variety of catch up events for all buddies throughout the semester. Buddies also have the opportunity to organize events with other buddies, and invite others in the buddy network along.

The International office and Student Life will provide on-going support for all students in the case of questions or concerns.
