Advertising on Campus Bulletin Boards

Concordia has several posting boards on campus. Staff, students, alumni and guests can post notices with approval. You can get approval from the Welcome Centre (HA 107) or Student Life & Learning (HA 114). In order to keep the boards organized, we ask that you adhere to the following guidelines.

- ⇒ Posters must be stamped "Approved for Posting" and have an expiry date.
- ⇒ Do not use tape on any surface for any reason. Use sticky tack only (available at Student Life, or for purchase at the Bookstore) for the posting boards in the Hole Academic building.
- ⇒ Those who post notices are responsible for removing them without damaging the surface on which notices were posted.
- ⇒ Notices are taken down within one business day of the event

Questions regarding posting notices may be directed to Student Life at: studentlife@concordia.ab.ca who oversees the posting of materials on campus and maintains bulletin boards.

Another successful "**Adventures in Science**" **Summer Camp** for kids aged 6-16 was run from July 28 to August 1, 2014. Running the camp wouldn't be possible without the commitment of many people who supported and helped us before and during the camp. We would like to thank:

Dean of Science, Dr. John Washington for continuing support of the camp

Department of Education for continued warm welcome and providing the space where we run the camp

Physical Education Department for allowing us to use the gym and sport equipment (one of the best attractions!)

Departments of Biology and Chemistry, especially Devin Hughes for his good humor and continuous support

Concordia cafeteria "Aramark" for preparing and serving delicious meals, especially Gale who was always smiling and helped us with the "ad hoc" Birthday Parties

Plant Operations for all help they provided including the last day's water fun on the soccer field.

THANK YOU !

NEW STUDENT ORIENTATION

Concordia's Student Life and Learning department encourages all new students to attend this upcoming semester's THUNDER STORM New Student Orientation.

This day-long event marks the start of the semester, and is an opportunity for newcomers to be introduced to campus, faculty and staff members. It is also a great opportunity to make connections with other new students and have a some fun! We want all Concordia newbies to 'be in-the-know' and kick-start their first semester the right way.
