NON-EMERGENCY

EMERGENCY

## WHAT IS AN EMERGENCY? WHAT'S NOT?

Emergency phones lines are being clogged with calls that are NOT emergencies. These calls take time and resources away from those who need urgent help. Lives are literally on the line. \* For any non-emergencies, please dial #377 from a mobile device (only available within Edmonton) or 780 423-4567 from a land line.

### WHEN TO CALL #377

- ⇒ If you require advice on how to proceed with a criminal report
- ⇒ A non-violent crime has already been committed, and there are no suspects or evidence
- ⇒ You are involved in a vehicle collision but have not sustained injuries, and your vehicle is drivable
- ⇒ Your bike or personal property was stolen
- ⇒ Your property or valuables were vandalized
- ⇒ You see suspicious persons or activities
- ⇒ You have a general question about policing

### IN CASE OF AN EMERGENCY

**DIAL 9 – 1 – 1 for all life threatening situations & crimes in progress**

- ⇒ In all cases of an emergency involving a life threatening situation, or a crime in progress, dial 911 immediately. Your call will be answered by an Operator who will direct your call to Police, Fire or Ambulance.
- ⇒ It is very important to state your emergency clearly, and to verify the location that you are calling from.

### ACCIDENTALLY DIALED 911?

- 1 Don't hang up! (You won't get in trouble)
- 2 Stay on the line
- 3 Let the operator know that you don't need assistance.

If you hang up, the police may have to respond to your call, which could take resources away from someone with a real emergency.

### MESSAGE FROM PRSIDENT KRISPIN

Today the Honourable Doug Horner, Minister of Finance, delivered the Alberta Government's 2013/14 budget. Our primary concern was how the budget would affect Concordia's funding relative to the Post-Secondary operational grant. Last year the Government of Alberta increased our funding by 2%. This year there was no increase; but Concordia was also not subjected to any major cuts. And that is relatively good news.

In anticipation of this budget, the administration and Board of Concordia had budgeted for just such a scenario; in other words, it was and is a budget of austerity and restraint. This means practically that many very necessary capital improvements are on hold. But it also means that operations relative to salaries and service to students are maintained at a sustainable level. With a probable increase in enrolments, greater returns on ancillary services, and efficiencies gained by further review of our operations, I believe Concordia will be able to advance in the coming academic year.

We were also informed that along with our funding come expectations for greater efficiencies within our sector and within all of Campus Alberta. We have been proactive on this front and look forward to working with Enterprise and Advanced Education to improve upon our contribution to Post-Secondary education in Alberta.

## PREM SINGHMAR JOINS CONCORDIA'S BOARD

(EDMONTON) Concordia University College is pleased to announce that Mr. Prem Singhmar will join the Board of Governors at the start of the 2013/2014 academic year.

In 1985 Mr. Singhmar brought his family to Canada from India where he had practiced as an ophthalmologist. In Alberta he established himself as a successful businessman and hotelier. Mr. Singhmar is President of Singhmar Development Inc., AUM Hotels Group Inc., and Singhmar Acres Ltd.

Mr. Singhmar has served on the Board of Trustees for the Alberta Cancer Foundation, and currently is on the Board of the Alberta branch of the Immigrant Access Fund. He is involved in many other local initiatives including the Edmonton Inner City School, Kid's Kottage, and Crystal Kids. Prem and his wife Saroj have also been generous donors to the community, supporting the Art Gallery of Alberta by funding the Singhmar Centre for Art Education and the Saroj and Prem Singhmar Chair in Classical Indian Polity and Society at the University of Alberta.

The Chair of Concordia's Board of Governors, Mr. John J. McDonald III, says, "We are overjoyed to welcome Mr. Singhmar to our Board. He is a long-time friend and supporter of Concordia. He understands and supports our mission. The entire Concordia community is grateful for his commitment to our future."

Concordia's President and Vice-Chancellor, Dr. Gerald Krispin, added: "I am pleased that Prem Singhmar has joined Lyle Best, Lynn Mandel, John J. McDonald III, Stewart Maschmeyer, and Dr. Martin Mueller as public members of Concordia University College's Board. Each member has been appointed in due consideration of the competency matrix that attended the development of the Alberta Public Agencies Governance Act. Mr. Singhmar's addition fulfills an important perspective that has as yet not been present on Concordia's board."
