MESSAGE FROM THE PRESIDENT

Welcome to an evening at which we all have gathered to celebrate your achievement as an exceptional group of students. You have come here to be honoured yourself and to acknowledge those fellow students who have excelled in their studies here at Concordia. Your achievement in the reception of an award demonstrates that you are motivated by a love for learning that is reflected in the success that you have already demonstrated. Concordia recognizes that success with its many scholarships and bursaries. This Awards Night acknowledges your achievement by your reception of an award. For this reason representatives from Concordia's faculty have gathered here tonight with members of the award sponsor community along with your friends and relatives. We recognize your exceptional performance in the past and anticipate a successful future before you here at Concordia and, upon graduation, in your service to God and the world.

Congratulations!

Dr. Gerald S. Krispin
President

MESSAGE FROM EXTERNAL RELATIONS & DEVELOPMENT

This is my opportunity to say thank you to our donors for making a gift in support of our students through scholarship funding. Your generosity demonstrates that you share our belief in the power of education to transform lives.

This is also my opportunity to say thank you to the recipients for sharing your stories and achievements, so I may in turn, share them with our donors. Establishing a scholarship is an investment in people, in education, and in society. Donors recognize that students can and do make a remarkable difference in our communities, and they make their gifts with the hope that all deserving students will have the opportunity to reach their potential. This evening, the legacy of donor named scholarships continues with recognition of your personal achievement and academic excellence.

Congratulations!

Katherine Hutton
Director, External Relations and Development

MESSAGE FROM FINANCIAL AID & AWARDS

Welcome to an evening that has become a time-honoured tradition. Tonight we congratulate and recognize an exceptional group of students for their scholastic achievements and community spirit. As I read through the hundreds of scholarship applications we receive each year, I am inspired by the amazing things that Concordia students do to give back to their communities. They volunteer at Big Brothers-Big Sisters, the Youth Emergency Shelter, the Christmas Bureau, local soup kitchens and inner city organizations, ESL programs, the Stollery Children's Hospital, community athletic groups, churches, summer camps and student organizations, to name just a few. Our students continually choose excellence – in their education, in their volunteer commitments and in the personal standards they hold. We are proud of you.

Congratulations!
