

CONCORDIA TO LOSE WILLOW TREE ON SOUTH LAWN

It is with sadness that we announce that the large Willow Tree, located south of Guild Hall must be removed. During the spring grounds inspection, it was noticed that the tree was showing signs of internal rot.

An arborist was consulted; he issued the opinion that the tree was indeed at the end of its life, and due to its size and type, it needs to be taken down as soon as it can be arranged.

Many members of the Concordia community have had photos of every kind taken in front of it. We have hung from it, swung from it, met up with friends and lunched under it. We've read books, dreamed, or studied in its shade. But, as with all living things, its time has come to say goodbye...

NO PING PONG IN TEGLER

Plant operations has asked that the ping pong table not be set up in Tegler Centre until **July 29th**. The floors have been newly painted and need time to properly cure. We appreciate your understanding in the matter.
