KICK UP THE CARDIO

with your peers!

What's sweeter than a Kit Kat bar and promises fifteen minutes of sheer **Bust a Move** awesome'ness? Why it's our **BaM Break** coming soon to **Concordia!** We're here to give the 411 to corporate 780.

BaM Break: proper noun \ˈbæm brek\ a twenty minute gathering of similar like-minded professionals to be educated on the Awesome'ness of Bust a Move for Breast Health; and encourage said individuals to register a team, volunteer or donate

The Alberta Cancer Foundation is excited to announce that the 4th annual Bust a Move for Breast Health is bustin' into Edmonton on March 21, 2015! A six hour workout extravaganza raising money for the Cross Cancer Institute, Bust a Move will serve up yoga, bootcamp, and a special black light Zumba party to cap off the day! In just three years Bust a Move raised over \$1.2 million in support of breast cancer research and we are thrilled to be lunging into our **breast year yet!**

On **Monday, January 19th**, Chief Bust-a-Mover, Breanne Kraus, will be lungin' on over to host a 20 minute BaM Break to recruit participants for the **Concordia** team. Grab your lunch, grab a seat and tune in to learn how you can be a part of this epic event!

In the meantime, check out bustamove.ca for more information!

PHILOSOPHY AND RELIGIOUS STUDIES COLLOQUIUM Thursday, January 22, 4pm in HA 015

Speaker: Dr. Matthew Kostelecky, Assistant Professor of Philosophy
at St. Joseph's College, University of Alberta

Topic: "Embodiment as the Condition of Possibility for Metaphysics
in the Thought of St. Thomas Aquinas."

Abstract: "In this presentation I will show the constitutive role that embodiment plays in the metaphysical thought of Thomas Aquinas. That is to say, I will argue that the very tight connection between the body and soul in Thomas' thought not only determines the character and scope of metaphysics but is what allows metaphysics to occur at all.

To put a finer point on the matter, without embodiment the whole discipline of metaphysics would simply be superfluous."

CAPITAL REGION INTERSECTION SAFETY PARTNERSHIP

Capital Region Intersection Safety Partnership (CRISP) Student Paper Competition

About CRISP

The Capital Region Intersection Safety Partnership (CRISP) is comprised of traffic safety and injury prevention stakeholders within the Edmonton Capital Region. CRISP shares resources and expertise to implement on-going, collaborative, and integrated intersection safety initiatives to reduce the frequency and severity of intersection collisions in the capital region. Initiatives involve integration of education, engineering, and enforcement strategies, and targets four priorities: red light violations, pedestrian safety, speed and high crash locations. For more information visit www.drivetolive.ca.

CRISP Student Paper Competition

CRISP is pleased to launch a Student Paper Competition for the 2014-2015 academic year. The purpose is to recognize outstanding contributions from individual students at Edmonton based post secondary schools with a focus on improving traffic safety. Student papers can include current research, literature reviews, theoretical arguments, or case studies. Areas of focus and study can include, but are not limited to:

- Intersection Design
- Injury Prevention
- Policy Development
- Community Mobilization
- Enforcement
- Driver Behavior

Deadline for Submission

February 28th, 2015

Award Announcement Date

Winners will be announced and awarded during Edmonton's 7th Annual International Conference on Urban Traffic Safety scheduled for April 27-30, 2015.

Eligibility

Author(s) must be enrolled as a student for at least one term in the 2014-2015 academic year at an Edmonton based post secondary school.

Submission Requirements next page

Submission Requirements

1. Applicants will complete a cover letter detailing the author's name, academic affiliation, major, number of semesters completed, and contact information.
2. The cover letter will include the paper's title and a 100-150 word abstract or summary.
3. Papers must be less than 25 pages, including notes, references, and tables. Papers over 25 pages will be disqualified.
4. Submissions will be submitted in a .doc, .docx or .pdf format. All submissions must follow the formatting requirements in Appendix A.
5. Proof of enrolment in a post-secondary program i.e. letter from registrar or supervising professor will be provided.
6. All documents will be submitted by **February 28th, 2015** to hladun@shaw.ca.

Evaluation Criteria

Student Paper Competition submissions will be evaluated by a Technical Paper Review Committee nominated by CRISP. Papers will be judged based on the following criteria:

1. Well written and easily understood
2. Abstract clearly conveys meaning of paper
3. Objectives appropriate and clearly stated
4. Existing work adequately described & properly referenced
5. Methodology technically sound
6. Data valid
